October 2026

October is my favorite month of the year. I'm a Halloween girlie through and through, so whenever October arrives it puts me in a good mood, no matter what's going on in my life. But this year, lots of good is going on.

If you don't follow me on socials, you may not have seen the absolutely gorgeous cover Fay Lane designed for Wisp's Awakening. You can behold it in all of its glory below.

What I've Been Reading

Like many of my friends, I'm trying to fly through the Crescent City series by Sarah J. Maas before the new ACOTAR book comes out at the end of this month. I finished the first Crescent City and it was fantastic! I may have even enjoyed it more than ACOTAR. Blasphemy, I know!

That's all for now! Be sure to follow me on social media for weekly updates.
